

Workshop Facilitator

JOB DESCRIPTION

Are you creative, passionate and a genuine people person?

ROLE BASED IN KALAMUNDA, WA

SHARE IN SOMETHING EXTRAORDINARY WITH YOUR LOCAL COMMUNITY

LET YOUR LOVE FOR THE CREATIVE SHINE

IT'S ALL ABOUT ATTITUDE - NO PRIOR EXPERIENCE REQUIRED & PAID TRAINING PROVIDED

Faire & Co is a process arts studio based in the Perth Hills.

The role of Workshop Facilitator requires a bubbly and passionate superstar who wants to unleash their love for all things creative and share this with our incredible students.

About us:

Faire & Co is not your regular art studio. For us, it is all about the process. The process of creating something that is truly yours and unique; it's about getting lost in the moment, using your hands and being genuinely mindful.

We are a local Perth Hills business, and our team is incredibly passionate about creating a safe, fun and inclusive space for people of all ages to get truly immersed in our creative classes.

Our Workshops are our customers' highlight of the week. For 90 minutes, they completely escape their daily lives and worries, becoming fully immersed in the experience. A creative experience that truly lights them up.

Key is our amazing Workshop Facilitators. They are high vibe, can read a room and get our customers pumped, engaged and ready for a fun time.

Your New Role:

This position is predominantly engaged in facilitating creative classes to a maximum of 16 children or adults classes of up to 15 people.

Your role is to teach the basic principles of a creative project (this could be anything from jewellery making to watercolours) and make sure each person is engaged and, most importantly, having an absolute blast!

Workshop Facilitator

JOB DESCRIPTION

CORE RESPONSIBILITIES: WORKSHOP FACILITATOR

- Assist with planning and preparation of Projects.
- Facilitate creative workshops, as required.
- Assist in prep and setup of materials and supplies prior to classes.
- Engage with customers to ensure they understand instructions and provide any guidance or help that they need
- Ensure customers are having fun and being positive at all times.
- Building confidence in customers by allowing them to complete projects with guidance.
- Cleaning of materials and supplies throughout the class to ensure safety and clean work environment.
